

INSURANCE BENEFITS

Our office files insurance as a complimentary service for our patients. It is the patient's responsibility to provide us with up to date insurance information and to understand their plan benefits. We will provide follow up information to any rejected claims to maximize the patient's benefit; however, after 60 days the patient is responsible for any balance on their account.

PLEASE UNDERSTAND that we do not have a contract with your insurance company, only you do. We are not responsible for how your insurance company handles its claims or for what benefits they pay on a claim. We can only assist you in estimating your portion of the cost of treatment. We cannot be responsible for any insurance company errors; once again we file claims as a courtesy to you.
